2014 CUTEST BIRD PHOTO CONTEST

USDA APHIS is proud to announce March 2014's Cutest Bird winners.

March Cutest Bird

"Tequila is my masterpiece... When we acquire new birds we always quarantine them for 30 days before adding them to our flock and we encourage others to do the same."

**Miss Tequila Sunrise, 2-year-old
Wheaten Frizzled Cochin Bantam**

– Submitted by Rachel Johnson, East Bethel, MN

March Cutest Bird Family

"This was my 'glorious barnyard mix' of 30 free range chickens... I incubated and raised them myself and they always gathered round whenever I came out of the house."

**Group Shot Anyone? Golden Range Wyandottes,
Rhode Island Reds and Araucas**

– Submitted by Tammy Searles, Rindge, New Hampshire

Winners will be considered for the 2015 *Biosecurity For Birds* calendar.
